Canada Day: 5 Fun Facts

What is Canada Day?

1

Canada Day is the national day of Canada. A federal statutory holiday, the occasion celebrates the anniversary of July 1, 1867, the effective date of the Constitution Act.

2

Originally known as "Dominion Day"

On July 1, 1867, the British North America Act created the Canadian federal government. This act stated that Canada would become an "independent dominion" (territory) of England, which is why Canada Day was originally called Dominion Day.

In 1982, Dominion Day changed to Canada Day after a vote in Parliament.

3

Designing the Flag

To help them design the country's official flag, Parliament asked Canadians in 1963 to draft suggestions. Of the 3,541 patriots who responded, nearly 400 thought a beaver should be front and centre before finally deciding to use the iconic maple leaf.

Kanata

Canada's name was derived from the Huron and Iroquois Native American language. The word, "kanata" translates to "village".

Bottoms Up, cheers!

On the weekend of July 1st, across the entire country, Canadians drink **1.2 million litres of alcohol/beer**
